There are books located in the Recreation Room to be enjoyed by our members. You do not need to bring books in to be able to take any out. We currently have many paper back novels.

Guest Parental Consent Forms Any guests your child might bring to the Club must have a "Guest Parental Consent" form on file. This is something we renew each year. Therefore, even if one was previously filled out, we will need a new one on file for this year. These consent forms are available in the front office or online and must be filled out by the parent of the guest.
