

**COUNTRYSIDE COMMUNITY CLUB ASSOCIATION
GUEST POLICY**

(Revised April 2011) (Revised July 2012) (Revised November 2013)

In order to accommodate the various needs of members and, at the same time, to avoid overuse of the facilities, the following policies are hereby adopted.

GUEST PASSES: Each lot will receive sixty (60) guest passes per year, beginning in January. New owners or new members who have deed restricted their property, will be pro-rated at the rate of 5 passes for each full month from time of purchase or deed restriction to the end of the current calendar year. In the event closing or deed restricting is after the 15th of the month; no passes will be credited for that month. Additional guest passes may be purchased at the cost of \$2.00 per pass. Infants under one year of age will not need a guest pass.

GUEST REGISTRATION: All guests must be registered by the host member at the main desk. This must include the full name of all guests. Out of town guests that are staying with a member may use the facility without needing to use a guest pass if they can provide the Center with proof of out of town residency and if they were pre-registered by an adult member. Visiting grandparents may accompany members to the Center without needing to use a guest pass.

MEMBER RESPONSIBILITY: The host member is responsible for the conduct of their guest(s) at all times and must ensure that the guests are acquainted with C.C.C.A. policies. Any member whose guests are found in violation of C.C.C.A. policies will be subject to severe disciplinary action, including loss of guest privileges, loss of fitness room privileges, and/or other appropriate action. The host members must remain at the facility with their guest(s). If the member leaves the facility the guest must also leave.

USE OF FACILITIES: No household may use in excess of nine (9) guest passes at any one time without prior party registration as set forth below.

Adult Members – (members aged 18 or older) may have up to nine (9) registered guests accompany them to facilities, other than the fitness room, at any time without prior notice to staff or prior registration. However, in the event that there is a conflict over facility usage, i.e. overcrowding at the tennis, racquetball or basketball courts or multiple groups wishing to use the ball field, groups consisting entirely of members have priority for usage over groups that include non-members (other than pre-registered parties consisting of 10 or more people with the appropriate fees, etc. paid.)

Children Members – (age 10 through 17), with signed parental consent forms, may have a maximum of two registered guests ages 10 to adult accompany them to the facility. It is the responsibility of the members to make sure their juvenile guests have parental permission to be at the Center.

PARTIES – GROUPS THAT INCLUDE TEN OR MORE GUESTS: A party is considered any group that includes 10 or more guest. Any group that will include 10 or more members but not 10 or more guests that wishes to reserve a facility for use must also register as a party and pay the applicable refundable deposit but will not be subject to the non-member guest fee. Only an adult member (18 or over) may book a party. Parties must be booked at least 48 hours in

advance but may not be booked more than one year in advance. Full names of all expected guests must be provided at least 48 hours in advance of the party. An adult member of the booking household must remain with the party at all times. The party is restricted to the use of only those facilities included in the party registration. Parties are limited to a total number of 50 persons during the time period

from June 1st through August 31st and 100 total persons from September 1st through May 31st. There will be a refundable cleaning/security deposit of \$100 and a non refundable party fee. When booking a party at the park ramada, softball field, playground area or using the charcoal grill and patio, your guest passes can be used in place of the party fee. All fees must be paid when party is booked. The \$100 cleaning/security check will not be deposited, but handed back after the party, if all requirements for refund are met. The party and lifeguard fee will be deposited after party is booked. These fees are non refundable, even if party is canceled. Only members in good standing (non-delinquent in assessments and whose privileges have not otherwise been suspended) may book a party. At the conclusion of the party, the manager on duty will inspect the premises and release the security check if the facilities are clean, there is no damage and all additional guest fees were paid. A request to book a party does not guarantee that a booking will be granted, i.e. if there is another party booked or a special project planned for the Center at that time. During the pool season June 1st to August 31st, pool parties will be limited to 50 persons per party with the following restrictions; pool parties of 1 to 25 people will not require an additional lifeguard if two (2) lifeguards are on duty. However, if the party exceeds 25 people, regardless if the guests are using the pool, the member must pay for an additional lifeguard, or provide their own certified lifeguard. When there is only one (1) or no lifeguard on duty, the member must provide a certified lifeguard for 1 to 25 people and two lifeguards for a party over 25 people.

ADDITIONAL REQUIREMENTS FOR PARTIES OF CHILDREN GUESTS UNDER 18:
